

# Children's Registration Information

## Department Placements

- Preschool children will be placed in a department according to their age at the start of Bible School, regardless of which preschool class they attended.
- School-age children will be placed in a department according to the grade they just finished.
- If your child is five years old or will be attending Kindergarten in the Fall, they should register for Pre-K 5's.
- All children, except those of our volunteers, must be potty-trained.
- Childcare for Infants, Toddlers and Twos is for the children of VBS volunteers only.

## Pick Up Policy

All children second grade and younger must be picked up in their department. Only those 7th Grade and older and who are listed on the registration form will be allowed to pick up your child. If someone not on the list tries to pick up your child, your child will not be allowed to leave and you will be notified immediately. Please be sure this list is complete.

Children third grade and older will be allowed to leave their department independently at the conclusion of VBS to meet you in another location.

Please have a prearranged meeting spot. If you prefer your child to remain in his or her department until picked up, please communicate this to your child. If anyone tries to pick up the child during VBS, their name must be listed on the child's registration form.

## Table Buddy

Listing a Table Buddy is completely optional. If you decide to list one, please make sure the table buddy is in the same department as your child. Children must attend the department that matches their age or grade.

## Allergies

Please note any allergies your child has on the registration form. All our snacks are nut allergy friendly. We will try to have other snacks available to accommodate other allergies. However, we can't possibly have enough snacks to cover all allergies. If your child has a unique or complex food allergy, please provide their own peanut/nut free snacks.
