

Junior High Calendar 2018 Spring

Sunday Morning

Every Sunday morning we meet for a deeper look into God's word together. The curriculum we use is the Gospel Project, which is Christ center and Scripture focused. During our time together, it's not just lecture. The students are in discussion groups, wrestling with the text and how it applies to them personally. Our motto is Know, Grow, Go. We seek to Know the Lord relationally, Grow in Him through our personal and communal devotional life, and Go out as messengers of the Gospel to our schools, families, and friends. **Every Sunday Morning from 9:45-10:45 in the Junior High Room.**

Parents can sign up to help lead a discussion groups. [Click Here](#) or email Austin at abranson@gracepres.org

Overflow

Overflow is our Junior High Wednesday evening gatherings. We call it *Overflow* because we believe that God can do a significant work of His grace in and through these students that would flow out onto every aspect of their lives. Through testimonies, small groups, and events, we want to give students a solid foundation as they grow spiritually, unify together in fellowship, and reach out to their friends with the Gospel. It's a safe place to be yourself, have lots of fun, and deepen your relationship with Christ. Join us every Wednesday evening. **Doors open at 6:15pm but the program begins at 6:30-8:00pm in the Jr. High room.**
