Decisive Issues Facing Christians Today

Sundays, June-July, 9:45 - 10:45 AM — Gym

Taught by several Grace leaders, this class will examine eight social issues of our day through a Biblical lens. We will provide the principles that will help each of us to think Biblically when discussing these issues with family, friends, work colleagues, and classmates, while also becoming better prepared to pray and to influence public policy through persuasion and voting.

You may register for and attend the entire class, or you may register for and attend individual topics that interest you. Register at www.gracepres.org/elective. On the registration form, select which topics you plan to attend.
