

— IN REMEMBRANCE —

Please be in prayer for the family members of our brothers and sisters who have gone home to be with the Lord.

Elda Heiniger - June 14, 2019.

teen summer camp continued (from inside)

Overall, we are grateful that God worked through leaders to shape and nurture students' hearts. Students learned more of God's grace and love, growing in their walk with Him. We are grateful for all the fun we had at camp, including excellent worship and great times with these students.

We are prayerful that God continues to work in these students' hearts this summer. We are excited about all the things we have going on through July and August!

Shore Acres Swim Night
Sunday, July 21

We had a great week at Summer Camp!

As we reflect on this year's camp, there are many praises for what God has done and prayer requests as we move forward. It was a blessing to see 97 students come to camp this year, some even signing up the day before camp! The Lord provided the right number of volunteer leaders. We are so pleased by their dedication to the Lord and students. What makes our camp special is the intentional investment of leaders into the students' lives throughout the week. One parent asked his son what his favorite part of camp was. Without a pause, the son said, "My one-on-ones," referring to his times of connection with leaders and students. He liked those more than dodgeball!!! We are so grateful for God's work in softening students' hearts, which allowed them to open up with questions and talk about struggles.

Jon Watts, our speaker, did an excellent job bringing God's Word to life. He shared encouraging and convicting truths, along with his own testimony. Students really gravitated towards him. He had quite a few conversations with them, even sitting in on some of their small groups to answer questions. During small group and devotional time, we really drew out of the students what it meant to develop Kingdom priorities, choosing to follow Christ instead of the ways of this world. Many students were significantly impacted as they evaluated how they have been living their lives. Two girls made initial professions to put their faith and trust in the Lord!
