

## Grace Pres Church 16 Day Short-Term Mission trip to the Czech Republic July 2023

Grace's 2023 short-term mission trip to the Czech Republic is a high-impact missions experience with Josiah Venture, and overseen by Mel & Amy Ellenwood, our church's missionaries in the Czech Republic. The mission trip centers around Josiah Venture's week-long English camp. At camp you will help teach Czech high school students English each morning. The rest of camp consists of games, worship, evening messages and small groups. The gospel will be clearly shared in a variety of settings while you are at camp. The camp also connects the campers to a local church.

For Grace's team, we would like high schoolers, college students, and/or young adults. Team members should demonstrate humble servant hearts, confidence interacting with young people, a desire to share their faith and the ability to bring energy and fun throughout the day at camp. You will get the opportunity to share your testimony in English to cross-culture peers (Czech students).

Ashley Dettore and Ryan Haggerty will be co-leaders of this team. They will equip you for this week of camp with training in relational evangelism and discipleship. Each team member will learn how to share their testimony and answer questions about the difference Jesus makes in their life. Josiah Venture will provide training materials, as well as additional on-site cultural training upon arrival and debrief upon departure. The 16-day trip will take place around the middle of July 2023 and the cost for each team member is approximately \$2,200.
