GLOBAL IMPACT CELEBRATION

Welcome!

Once again, it is our privilege to welcome you to Grace's Global Impact Celebration (GIC). For decades, Grace has invited special people just like you to enjoy life-changing messages and the opportunity to build relationships with global leaders from around the world. Christians are first and foremost "gospel people." Our faith is centered on the gospel of grace – the good news that through the crucifixion and resurrection, Jesus defeated sin, evil, and death. The Global Impact Celebration reminds us to reconsider what it means to be a credible and compelling presence for Jesus Christ and the gospel, starting in our own neighborhoods and penetrating the neediest regions of the world.

This year we have the privilege of hearing from Geordon Rendle with Youth for Christ. As a past conference speaker, he inspired our Grace family to continue in missional service throughout our community and world. He was one of our most popular missions speakers, especially for young men and women who are considering how Christ might use them on a global scale. Not only does he speak from a depth of understanding the gospel, he "walks the talk."

Although the church landscape has changed because of the pandemic, our global partners and ministries have continued their work both nationally and internationally despite limitations due to local safety measures. We will gain amazing insights into God's gracious and powerful work as we learn from Geordon Rendle. The stories that you'll read or hear will thrill you by what God is doing throughout the world.

During the GIC weekend, you will want to have this booklet handy to learn more about our global partners. Notice that there are prayer requests at the end of each story. The theme of this year's GIC is "Pray to the Lord of the Harvest." It is our privilege to take these requests to the Lord in prayer, not just during the GIC, but throughout the year. Even more, our prayers—along with our excitement and engagement—for the "harvest" transforms our own lives as Christ uses all generations and all peoples with the exquisite testimony of Jesus Christ.

BEN & LINDSEY NEWTON INNERCHANGE/CRM

Ben and Lindsey serve with InnerCHANGE, a Christian order among the poor. A few years ago they moved to a megacity outside the USA where they started a leadership development business, sowing seeds of the gospel in a closed country. After a pivot in the U.S. to retool professionally, heal as a family from a tough assignment, and build organizational capacity, the Newtons redeployed internationally in 2019, where they joined the InnerCHANGE team in East London, England, to engage community development and evangelism among South Asian Muslim immigrants.

CHILDREN: Samuel, Caroline, Elisabeth, William, and Gabriel **NOTES TO:** 107 New St, Millersville, PA 17661

EMAIL: ben.newton@innerchange.org • lindsey.newton@innerchange.org **WEBSITE:** innerchange.org

Please Pray:

That they would continue to be able to develop significant relationships among immigrant families.

As their ministry plans have all either been modified for social distancing or been put on hold, their work, at the heart, remains the same. Their two (nominal) Christian neighbors are the ones who have accepted the most direct help from Ben and Lindsey and they are praying God will use that. Their other neighbors haven't taken them up on practical assistance, but they are still spending time every day chatting in courtyard. People are wrestling with God's role in all of this pandemic: is it divine punishment? a test? does God care? Their neighbors certainly do not see God as present with humans and understanding suffering. Pray that they get to talk about this with them during lockdown.

For their children as they attend school, adjust to a new culture, and make new friends.

Married in 2014, Joel and Stephanie now serve together in France, a country where protestant Christianity was nearly exterminated by centuries of persecution. They are currently on home assignment in the U.S. and waiting for the borders of France to open so they can start their new ministry assignment in Paris.

MIKE & KATHY UNO CRU CITY

Mike and Kathy are working with Cru City, specifically with the IIR (International, Immigrant, and Refugee) ministry. Their desire is to develop strategies to reach, disciple, mobilize, and send IIRs to reach others with the gospel. They are currently working in the Greater Peoria area and helping develop and direct an ESL ministry through Grace Presbyterian Church. With a total of 85 students, representing 41 countries, they are excited about the impact they can have in the international community in the Greater Peoria area, not just to increase students' English ability, but also to engage them in spiritual conversations about faith and the gospel. They have also started an International ESL Discussion Group, which meets during the Sunday School hour for ESL students who want to explore issues like God, Jesus, faith, and the church. Their ultimate dream is to see ESL students come to Christ and become missionaries to their own ethnic and cultural groups here in Peoria as well as back in their home countries.
