Prayer is a large part of our value of glorifying worship. We have several ways to accomplish frontline prayer, along with some familiar, classic channels that have ministered to many people over the years. We encourage everyone to submit a prayer request on the Connect Cards on Sundays or anytime via the church app. Please note that you can mark your request as “confidential” and only pastors will receive it. Requests that are not marked “confidential” are sent to the prayer team each Tuesday. **We welcome and pray for each submission; however, requests made on behalf of those outside one's immediate family will be edited to maintain privacy for the individual.** Please contact Amy Wallace if you would like to join the Prayer team or have questions about the Weekly Prayer Ministry. Young families today are facing many challenges as they try to navigate a culture that is pulling them in all different directions, often away from God's truths. Would you please consider joining a team of Grace Kidz Prayer Partners? You'll be randomly paired with with a Grace Kidz family to pray for and spur them on in their faith. You'd commit to connecting with them periodically, asking for prayer requests, and praying for them regularly.

Life-on-Life Missional Discipleship can be described as laboring in the lives of a few with the intention of imparting one’s life, God’s Word, and the gospel in a way to see them become mature and equipped followers of Christ, likewise committed to doing the same in the lives of others. Pray with us for the current Life-on-Life Groups and for patience as we trust God to grow this movement in depth and to stretch in our church and beyond.
