

Pioneer Girl Clubs Pal/Gal Program

- **A Pal is a person who can influence the life of a club member for the Lord Jesus Christ.**
 - Being a Pal is an influence...
 - By having in ourselves those qualities which we would like to see developed in a club member: spiritual insight and maturity, effective prayer life, love and concern for others.
 - By developing a relationship of love and trust with the club member: Showing love for the child, being involved with the child, and showing interest in things the child views as important.
 - Being a Pal is an action...
 - Praying For your Gal, the club guides, the leadership team
 - Demonstrating love by spending time with your Gal, remembering her with phone calls, visits, cards, and so on, visiting the club meeting & helping where/when you can.
 - Attending the Pal/Gal Dinner on October 21st and the Pal/Gal Christmas Party on December 14th.
 - Being a Pal is an attitude of
 - Acceptance - accepting the club member "as is"
 - Love - sharing the love of Christ
 - Concern - caring about what your club member will become
 - Responsibility - feeling responsible to God to carry out His ministry through you.

- **How can I Connect with my Pal?**
 - Talk to her, be interested in her life, find out how she is, etc.
 - Try to see her on a Sunday morning or a Wednesday night periodically.
 - Come to Special Pioneer Girl Events
 - Remember her birthday with a phone call, card, and/or gift.
 - Join her at Club on a Wednesday night for the whole evening or just for the activity.
 - Attend a soccer game or dance recital she is involved in.
 - Do activities outside of church together: (NOTE: Activities should be done with another Pal-Gal team or in a public place.) Ideas include: bike, hike, bowling, zoo, cookout, dinner, sledding, bible study, visit a nursing home, help them with a homework project, stuff an Operation Christmas shoebox, serve somewhere in the church together, etc.
