## Digital Media Strategies for Families with Leah Nieman

*Saturday, August 18, 9 AM - Noon — Front Porch room*

Our kids are growing up in a digital world. And although our kids can use technology almost effortlessly, they still need parents to guide them lovingly through the networked public space. Join us as we discuss raising kids who have a healthy perspective of social media and technology. This is for parents of children in elementary school. Child care is available. Register at [www.gracepres.org/digital](http://www.gracepres.org/digital).
